Luminous Intensity (Radio Edit)

Italobrothers

Welcome to Norway!
You know what they say
That they got the good vibesLet me introduce
26 girls
Take it to the next level!Luminous intensity
Let me see you jumpin', let me hear you scream
Luminous intensity
Let me see you bouncin' like you're James DeenYou won't miss a night
'Cause they shine bright
Just like diamondsYou won't miss a night
'Cause they shine bright
We're gonna have a good life!This is what we are
Kinda bizarre
We are like heroesYou can't hold us back
And don't you dare
'Cause we're everywhereLuminous intensity
Let me see you jumpin', let me hear you scream
Luminous intensity
Let me see you bouncin' like you're James DeenYou won't miss a night
'Cause they shine bright
Just like diamondsYou won't miss a night
'Cause they shine bright
We're gonna have a good life!Luminous intensity
We're gonna have, we're gonna have, we're gonna bounce-bounce-bounce
Luminous intensity
We're gonna have, we're gonna have, we're gonna bounce-bounce-bounce
Luminous intensity
We're gonna have, we're gonna have, we're gonna bounce-bounce-bounce
Luminous intensity
We're gonna have, we're gonna have, we're gonna have a good life!We're gonna have a good life!
