

Everybody Needs a Da-da-daddy

Marilyn Monroe

It was cold outside of Tiffany's
I was shivering in the storm
I walked and asked asked a gentleman
Could I please keep warm?
He asked me how come a babydoll
Has to comfy please to go
So I told that kindly gentleman men
My tale of woe

Every baby needs a da-da-daddy to keep her worry free
Every baby needs a da-da-daddy but where the one for me?
Rich or poor I don't care if he hasn't got a million
Then a half would do
Every baby needs a da-da-daddy
Could my da-da-daddy be you?

Women:

Every baby needs a da-da-daddy with silver in his hair
Every baby needs a da-da-daddy who has some
Gold to spare
Some sweet softy who enjoys bringin home his baby
Little diamond toys Oh ho! Every baby
Needs a da-da-daddy could my da-daddy be you?

Marilyn:

Every baby needs a da-da-daddy in case she runs aground
Every baby needs a da-da-daddy to keep her Safe
And sound.

Women:

Yes we feel just like red riding hood cause the wolves
Are often hungry in our neighborhood
Oh every baby needs a da-da-daddy could my da-da-daddy be you?
Could my da-da-daddy be you?
