## Frances Langford

Oh Bai . . . when twilight is deep in the sky . . . Bai  
Someone that I long to see, keeps haunting my memory  
An' so the loneliness deep in my heart calls to you, calls to you!  
( Oh Bai . . . ) Oh Bai . . .

( I live in the memory of many dreams ago,  
when the stars were bright and you were mine alone . . .  
My love for you can not die, though the oceans run dry  
or heaven's call from the sky, now you're gone! )

Bai . . . can't you hear my lonely call? . . .

Morea . . . make my life complete again!  
How I pray for the day when I'll see you smile  
an' my heart will beat again!

Oh Bai . . . when twilight is deep in the sky . . . Bai  
Someone that I long to see, keeps haunting my memory  
An' so the loneliness deep in my heart calls to you, calls to you!  
( Oh Bai . . . ) Oh Bai . . . ( Oh Bai . . . )
