Only Jah can make this world be right
Only Jah can make the darkness bright
Only Jah and Jah alone can thrilled me like he do and fill my heart with love for only Jah.

Only Jah can make all this change in I
Only Jah
For its true he is my destiny
When he hold my hand I over stand the magic that he do he's my dream come through my one and only Jah.

(Horns solo)

Only Jah can make all this change in I
For its true he is my destiny
When he hold my hands I overstand the MAGIC that he do
He's my dream come through my one and only Jahhhhhhh.

Only Jah can make this World be right
Only Jah can make the darkness bright
Only Jah and Jah alone can thrilled me like he do and fill my HEART with LOVE FOR ONLY JAH.

(Keyboard & Guitar Solo)
