

Forsaken

Within Temptation

Now the day has come.
We are forsaken this time. We lived our lives in our paradise,
as gods we shaped the world around.
No borderlines we'd stay behind,
though balance is something fragile. While we thought we were gaining,
we would turn back the tide, it still slips away.
Our time has run out, our future has died,
there's no more escape. Now the day has come,
we are forsaken,
there's no time anymore.
Life will pass us by,
we are forsaken,
we're the last of our kind.
