Ladies and Gentlemen

Short Stack

Ladies and gentlemen can I,
Say this story seems alive away from you
We'll for love on hotel floors
And write a history for teens with dreamer's truthsThen he looks her in the eye
She considers hiding spades and trumps so bland
Such a crush of subtle ties
And disclaimers wish for wings, in idle hands
And he said baby jumpOh oh oh from the hospital
We're honorary members of the red carpet academy (say)
Oh oh oh from the hospital
We're honorary members of the red carpet academySo wrap your lips around these lies
(Just to fall in love girl, love girl, tonight)
Into my arms, into the sea
(Just to fall in love girl, love girl, tonight)Let's kiss and tell an awful truth
Definition of a tongue packed full of slick
And this relationship will sink
In this hostile plague of hospital soundtacksOh oh oh from the hospital
We're honorary members of the red carpet academy (say)
Oh oh oh from the hospital we're honorary members of the red carpet academySo wrap your lips around these lies
(Just to fall in love girl, love girl, tonight)
Into my arms, into the sea
(Just to fall in love girl, love girl, tonight)
Ohh, we're playing at a home team quarter breaker
We're swinging, but the home team's swimming alone
(Just to fall in love girl, love girl, tonight)Then she said,
All this intimacy,
Well, you stitch my throat here like a shotgun,
So, put your hands up hun, start up the machine
Can I ask you one more question?She said,
All this into the sea,
Well, you stitch my throat here like a shotgun,
So, put your hands up hun, start up the machine
Can I ask you one more question?
Say oh!Ole!So wrap your lips around these lies
(Just to fall in love girl, love girl, tonight)
Into my arms, into the sea
(Just to fall in love girl, love girl, tonight)
Woah woah oh, we're playing at a home team quarter breaker

(Just to fall in love girl, love girl, tonight)
We're swinging, but the home team's swimming alone
(Just to fall in love girl, love girl, tonight)
So don't you swim alone tonightOh Oh Oh Oh from the hospital
We're honorary members of the red carpet academy (and)
Oh Oh Oh Oh from the hospital
We're honorary members of the red carpet academy.
