Morning Time

Sam Riddle

Morning Time {Time, Time, Time, Time}
Now {Now, Now}
Time {Time, Time, Time, Time}
Morning Time, I Sit And Watch The Sun Arise
And Everything Seems So Different Now
Than It Was Just Before
Dawning Sun, As You Go Down My Soul Will Run
I Feel It All Slip Away...
Slip Out Of My Hands
I Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
I Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
Morning Time, I Sit Here Looking All Around
And Everything Seems So Colourful
And Life's A Miracle
Dawning Sun, I Here In The Wind Your Sweet Hum
I Feel It All Slip Away...
Slip Out Of My Hands

I Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
I Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
Morning Time
Oh It's Morning Time
Dawning Sun

You Will Run Away
I Feel It All Slip Away...
Slip Out Of My Hands
I Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
I Realize As I See
All The People Holding Tight
As I Leave The World Tonight
Yeah Eh
Meeting The Light
