

# Morning Time

## Sam Riddle

Morning Time {Time, Time, Time, Time}  
Now {Now, Now}  
Time {Time, Time, Time, Time}  
Morning Time, I Sit And Watch The Sun Arise  
And Everything Seems So Different Now  
Than It Was Just Before  
Dawning Sun, As You Go Down My Soul Will Run  
I Feel It All Slip Away...  
Slip Out Of My Hands  
I Realize As I See  
All The People Holding Tight  
As I Leave The World Tonight  
Yeah Eh  
Meeting The Light  
I Realize As I See  
All The People Holding Tight  
As I Leave The World Tonight  
Yeah Eh  
Meeting The Light  
Morning Time, I Sit Here Looking All Around  
And Everything Seems So Colourful  
And Life's A Miracle  
Dawning Sun, I Here In The Wind Your Sweet Hum  
I Feel It All Slip Away...  
Slip Out Of My Hands  
I Realize As I See  
All The People Holding Tight  
As I Leave The World Tonight  
Yeah Eh  
Meeting The Light  
I Realize As I See  
All The People Holding Tight  
As I Leave The World Tonight  
Yeah Eh  
Meeting The Light  
Morning Time  
Oh It's Morning Time  
Dawning Sun

You Will Run Away  
I Feel It All Slip Away...  
Slip Out Of My Hands  
I Realize As I See  
All The People Holding Tight  
As I Leave The World Tonight  
Yeah Eh  
Meeting The Light  
I Realize As I See  
All The People Holding Tight  
As I Leave The World Tonight  
Yeah Eh  
Meeting The Light
