Come Clean

The Bostonians

All in a day, all in a day, I am without you
Just yesterday I was on top of my game with you
Then I should say, when you were away I think I knew
But I refused, I refused to see
Why did you never come clean with me?
Why did you never come clean with me?
In the moment you've erased
My ability to hate
You were at it again
Welcome to my new place
Take advantage of my grace
We're at it again, my love
This is not so innocent
This is not what I had planned
I think I should be going
Why did you never come clean with me?
Why did you never come clean?
So explain to me yesterday
What of all those things you say?
Damn, we're at it again
Welcome to my new place
Take advantage of your space
We're at it again
This is not so innocent
This is not what I had planned
Why did you never come clean with me?
Why did you never come clean with me?
