

Maybe There's a World

Yusuf Islam

I have dreamt of a place and time
Where nobody gets annoyed
But I must admit, I'm not there yet
But something's keeping me going
Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up, oh world and let me in
Then there'll be a new life to begin
I have dreamt of an open world
Borderless and wide
Where the people move from place to place
And nobody's taking sides
Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up, oh world and let me in
Then there'll be a new life to begin
I've been waiting for that moment
To arrive
All at once, the palace of peace
Will fill my eyes, how nice
Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up, oh world and let me in
Then there'll be a new life to begin
I've been waiting for that moment
To arrive
All at once, the wrongs of the world
Will be put right, how nice
