Man on Fire

DNCE

I've been casually defeated in the past
So I'm trying hard to reach you but not ask
I get abide but if I'm wrong I'd be addressed
So tell me straight, 'cause it's getting lateI want you, I think
You need me, I think
Yeah, yeah, yeah, yeahLet me entertain you, take our time
Don't just leave me waiting for a sign
You can lay your body here tonight
Tip-toe, got me walking on a wire
Goddamn, I'm a man on fireIt don't have to get too serious with me
It's as simple as the one and two and three
But we could be paper dolls and polka dots and diamond rings
But either way, I don't wanna wait, no
I want you, I think
You need me, I think
Yeah, yeah, yeah, yeah,Let me entertain you, take our time
Don't just leave me waiting for a sign
You can lay your body here tonight
Oh, tip-toe, got me walking on a wire
Goddamn, I'm a man on fireAll our friends have gone home
I've got you alone
We're heading, let's squeeze three times for yes
Don't put on your coat
That's something we won't regret
Let's stay happiness
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Let me entertain you
(Let me entertain you)
Take our time
(Take, just take your time)
Don't just leave me waiting for a sign
(Don't just leave me waiting for a sign)
You can lay your body here tonight
(You can lay your body here tonight)
Tip-toe, got me walking on a wire
Oh, yes you can
Goddamn, I'm a man on fire
(Oh, you got me walking on a wire)

Tip-toe, got me walking on a wire (oh yes, you do)
Goddamn, I'm a man on fire
Da da doo, daw daw daw
