# Still In High School

## Danko Jones

Here's the dealMe and my girl gonna sit here in the backseat
Fool around all night long
Don't tell her dad, man, he's a loose nut
He'll have my dick and balls mounted on the wallHere's the deal, I'm all grown up but
I'm still in high school
You make me feel like I'm all grown up but
I'm still in high schoolMe and my friends shoot the shit, check out girls, watch their tits
I knew you'd so understand
I'm not deceiving, I got nothing up my sleeve
But the truth is I'm a leg and ass manHere's the deal, I'm all grown up but
I'm still in high school
You make me feel like I'm all grown up but
I'm still in high school, I'm still in high schoolMe and my girl gonna sit here in the backseat
And fool around all night longHere's the deal, I'm all grown up but
I'm still in high school
You make me feel like I'm all grown up but
I'm still in high schoolHere's the deal, I'm all grown up but
I'm still in high school
