

Still In High School

Danko Jones

Here's the deal Me and my girl gonna sit here in the backseat
Fool around all night long
Don't tell her dad, man, he's a loose nut
He'll have my dick and balls mounted on the wall Here's the deal, I'm all grown up but
I'm still in high school
You make me feel like I'm all grown up but
I'm still in high school Me and my friends shoot the shit, check out girls, watch their tits
I knew you'd so understand
I'm not deceiving, I got nothing up my sleeve
But the truth is I'm a leg and ass man Here's the deal, I'm all grown up but
I'm still in high school
You make me feel like I'm all grown up but
I'm still in high school, I'm still in high school Me and my girl gonna sit here in the backseat
And fool around all night long Here's the deal, I'm all grown up but
I'm still in high school
You make me feel like I'm all grown up but
I'm still in high school Here's the deal, I'm all grown up but
I'm still in high school
