

Amanda's Dream

Teitur

Can you say good-bye, without ever leavin'?
That's some sad soul to keep
Amanda awakes in a moment believin'
She's better off stayin' asleep
So she drives by the station
Imaginin' somewhere, sings a slow, slow, song
Now, she's waitin' at the stoplights
With no where to go
But in our town there's just one stoplight
Oh, I wish she would know
There's a world outside her window
Anywhere the wind blows
Anywhere's Amanda's dream
She sits late at night by the light of a candle
With wishes that never come true
And her hope gets so high they're too hard to handle
She stares as they fade out of view
And of these some words have led her to nowhere
Except a slow, slow, song
Now, she's waitin' at the stoplights
With no where to go
But in our town there's just one stoplight
Oh, I wish she would know
There's a world outside her window
Anywhere the wind blows
Anywhere's Amanda's dream
Well she sleeps like a girl
But she wakes like a woman
She sleeps like a girl
But she wakes like a woman, like a woman
Waitin' at the stoplights
With nowhere to go
But in our town there's just one stoplight
I wish she would know
There's a world outside her window
Anywhere the wind blows
Anywhere's Amanda's dream
Na na na
Na na na
Na na na
