## **Amanda's Dream**

## **Teitur**

Can you say good-bye, without ever leavin'?

That's some sad soul to keep

Amanda awakes in a moment believin'

She's better off stayin' asleep

So she drives by the station

Imaginin' somewhere, sings a slow, slow, songNow, she's waitin' at the stoplights

With no where to go

But in our town there's just one stoplight

Oh, I wish she would knowThere's a world outside her window

Anywhere the wind blows

Anywhere's Amanda's dreamShe sits late at night by the light of a candle

With wishes that never come true

And her hope gets so high they're too hard to handle

She stares as they fade out of view

And of these some words have led her to nowhere

Except a slow, slow, songNow, she's waitin' at the stoplights

With no where to go

But in our town there's just one stoplight

Oh, I wish she would know There's a world outside her window

Anywhere the wind blows

Anywhere's Amanda's dreamWell she sleeps like a girl

But she wakes like a woman

She sleeps like a girl

But she wakes like a woman, like a womanWaitin' at the stoplights

With nowhere to go

But in our town there's just one stoplight

I wish she would knowThere's a world outside her window

Anywhere the wind blows

Anywhere's Amanda's dreamNa na na

Na na na
