

A Touch of Evil

Judas Priest

You mesmerize slowly
Till i can't believe my eyes
Ecstasy controls me
What you give just serves me right Without warning you're here
Like magic you appear
I taste the fear I'm so afraid
But i still feed the flame In the night
Come to me
You know i want your touch of evil
In the night
Please set me free
I can't resist a touch of evil Aroused with desire
You put me in a trance
A vision of fire
I never had a chance A dark angel of sin
Preying deep from within
Come take me in I'm so afraid
But i still feed the flame In the night
Come to me
You know i want your touch of evil
In the night
Please set me free
I can't resist a touch of evil Arousing me now with a sense of desire
Possessing my soul till my body's on fire A dark angel of sin
Preying deep from within
Come take me in You're possessing me In the night
Come to me
You know i want your touch of evil
In the night
Please set me free
I can't resist a touch of evil In the night
Come to me
You know i want your touch of evil
In the night
Please set me free
I can't resist a touch of evil A touch of evil
