

# Don't You Want Me Anymore?

Pulp

On the night that I was leaving, the moon rose in the sky  
As I came to fetch my suitcase and then you began to cry  
I've never seen you look so ugly as the way you did that night  
That night was eighteen months ago  
Now I'm two hours from the station  
Yeah I'm coming home again

I'm gonna show this town who's master soon as I get off this train  
You're gonna love me more than ever and the sun will shine again and I will kiss your face  
And I will make you smile again and then the whole damn town will come on out to welcome  
Me

Oh they will open all the doors and give it all to me  
Oh no but still your voice is ringing in my ears  
Don't you want me anymore? Don't you want me anymore?

And I can't I can't believe it's happening  
I know that oh there must be some mistake  
You've found yourself another lover and you're glad we made the break  
Oh you don't even you don't even want to see me  
You just wanna wave and say 'Goodbye. Go away now, and leave us alone  
No this house is not your own.'  
Yeah

And now the whole damn town has come around to laugh at me  
Oh yeah Oh they can stare for evermore; you do not care for me  
Oh no Oh they can stare now for a hundred thousand years

Don't you want me anymore?  
Don't you want me anymore?  
Don't you want me anymore?  
Don't you want me anymore?
