

Mobile

Avril Lavigne

Went back home again
This sucks, gotta pack up and leave again
Say goodbye to all my friends
Can't say when I'll be there again It's time now to turn around
Turn my back on everything
(Turn my back on) Everything Everything's changin' when I turn around
All out of my control, I'm a mobile
Everything's changin' when I turn around
All out of my control, I'm a mobile Start back at this life
Stretch myself back into the vibe
I'm wakin' up to say I've tried
Instead of wakin' up to another TV Guide It's time now to turn around
Turn and walk on this crazy ground Everything's changin' when I turn around
All out of my control, I'm a mobile
Everything's changin' out of what I know
Everywhere I go, I'm a mobile, I'm a mobile Hangin' from the ceilin', life's a mobile
Spinnin' 'round with mixed feelings, crazy and wild
Sometimes, I wanna scream out loud Everything's changin' everywhere I go
All out of my control
Everything's changin' everywhere I go
Out of what I know Everything's changin' when I turn around
All out of my control, I'm a mobile
Everything's changin' out of what I know
Everywhere I go, I'm a mobile
Everywhere I go, I'm a mobile
