Tryin'

Subb

I would ignore this situation, but it's getting out of hand
A funny word isnÃ-t appropriate
I got in this situation and it's getting even worse
I got arrested cause I offended someone
I don't know what you should feel
When questioned about The way it was
I am trying
When I should be crying
I am trying

Ahhhhhhhhhhhahhhhhhhhhhh!
Borrowed this from my best friend
HeÃ-s out of luck and out of friend
He beats me up like no one can
I like black and blue to look like you
Chorus
1st verse
