Face To Face

Mat Kearney

One, two...How many miles must it take too, breakthrough
And how many hours must we wait through, to hear the truth
How many moments did I trade in, for a fake kiss
How many chances did I forfeit, too afraid to missI feel your thunder pourin' like rain
Down on the mountains of all my mistakes
Rolling like rivers, running with grace
Into the ocean of your embrace
Your hand of my side, leading the way
Ten thousand horses couldn't pull me away
I hear the music, heaven has made
Oh when we're standing, standing
Face to Face
Face to FaceHow many nights with regret do I swear through
How many lives in the rear view, do I compare too
I feel your thunder pourin' like rain
Down on the mountains of all my mistakes
Rolling like rivers, running with grace
Into the ocean of your embrace
Your hand of my side, leading the way
Ten thousand horses couldn't pull me away
I hear the music, heaven has made
Oh when we're standing, standing
Face to face
Face to face
Face to face
Face to face
Face to face
Face to face
Face to face
Face to face
Face to face
Face to face
