

# Edge Of Twilight

## Gentle Giant

The moon is down  
Casting it's shadow over the night-haunted town  
Mystical figures under the silence of light  
The trembling air  
Drifts slowly, unseen over the houses there  
And echoes changing into the voices of night  
On the edge of twilight whispering  
Whisper, whisper, whisper, whisper  
On the edge of twilight whispering  
Whisper, whisper, whisper, whisper  
Elusive time  
In limbo active in never ending mime  
The edge of twilight into the darkness of day
