# Never Had Nobody Like You

## M. Ward

Well, since time I had a mind, I been lazy
And times before that I was cruel
And times before that I was lean, I was mad
Honey, I ain't never had nobody like youAnd the times before that, well, I was crazy
I saw the dark side of the moon
And the stars in the sky, they never caught my eye
'Cause I ain't never had nobody like you
I ain't never had nobody like youNow it's just like A B C
Life's just like 1, 2, 3
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, ah, ohI watched my own habits die and it's painful
Sometimes it's painful in the light of the truth
But you can be faster than light, now, I wanna thank you tonight
Honey, I ain't never had nobody like you
I ain't never had nobody like youNow it's just like A B C
Life's just like 1, 2, 3
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, ah, ohI trusted liars and thieves in my madness
Honey, I was wasting away in the room
But now that I been through that hell I got a story to tell
Honey, I ain't never had nobody like you
I ain't I never had nobody like you
