Hush

Automatic Loveletter

This is as quiet as it gets
Hush down now
Go to sleep
We were once perfect me and you
Will never leave this room

H H H Hush
You color my eyes red
Your loves not live it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H H H Hush this is where it ends

This is the calming before the storm
This absolution is always incomplete
It's always bittersweet

H H H Hush
You color my eyes red
Your loves not live it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H H H Hush this is where it ends

I wont make a sound so you don't wake
Don't wake don't wake you don't wake you don't wake

Hush
You color my eyes red
Your loves not live it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H H H Hush this is where it ends
You color my eyes red
Your loves not live it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H H H Hush this is where it ends
This is where it ends
