Faded Love

Elly Kelly

When I look at the letters that you wrote to me
It's you that I am thinking of
As I read the lines that to me were so sweet
I remember our faded loveI miss you, darling, more and more everyday
As Heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded loveAs I think of the past and all the pleasure we've had
As I watch the mating of the dove
And it was in the springtime that we said goodbye
And I remember our faded loveI miss you, darling, more and more everyday
As Heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love
And remember our faded love
