

# How To Love Me

## Grace

When I'm with you  
I can never read your mind  
Why don't you know  
I'm lying when I say I'm fine Why don't you learn  
How to love me  
When I can't sleep  
Would you hold me  
I'd only cry  
If I can't speak  
Should've to show you  
How to love me  
How to love me No oh I guess you're too cool  
To hold my hand on Valentine's  
But what do I know  
I'm just a girl you stand beside When will you learn  
How to love me  
When I can't sleep  
Would you hold me  
I'd only cry  
If I could speak  
Should've to show you  
How to love me Baby when we look in a mirror  
Does it make the beautiful clearer  
Chip in my name can't even tell her blue  
Why would you learn how to love me  
Learn how to love me Oh when will you learn  
how to love me  
When I can't sleep  
Would you hold me  
I'd only cry  
If I could speak  
Should've to show you  
How to love me How to love me  
No oh  
How to love me  
How to love me  
How to love me
