

Voulez-Vous Danser (Remastered)

Ace of Base

I knew you before about five years ago
Then you seemed to be like a person
Who didn't act like the people I knew
Yes something was special about you
A bit insecure but still kind of cute
At the same time easy to talk to
And now I see you again
And you're looking so good
Voulez-vous danser avec moi
Voulez-vous danser avec moi ce soir
I look in the mirror and what do I see
You're the same kind of person you're like me
And I can't run away I'm so attracted by you
Voulez-vous danser avec moi
Voulez-vous danser avec moi ce soir
No more hesitation
You're what I've been searching for
So stay close to me
I want to give you a better life
L'amour eternal
L'amour eternal
Voulez-vous danser
