To Our Martyrs

Samael

Reign of fear, of war,
Of silence, of resignation
Under the rules of the book of lies
Trawling the wrong path
Led like cattle
Never try to understand, accept, obey
Follow followers
And forget who you are
What's a lifestyle, to live for others
To share all with everybody
To answer love to hate
[repeat second verse]
Take each single insult and injury
As a present, as a spiritual gold
To buy your place in heaven
I spit at your god's face
I piss on the cross
I vomit on the holy bible
I shit on the blessed whore and hers bastard son
I desecrate, crush and destroy
All which is sacred, all which is blessed
I've found the one who lives in me
Brothers and sisters
Time for change is coming
Bells for revenge strick the end of times
By faith, by force
We'll walk toward the light
And forever be our own god
