## Prince

Snare drum pounds on the 2 and 4  
All the party people get on the floor  
All the party people get on the floor  
BassGlam slam  
Escape  
Glam slam  
Free your mind from this rat race  
Glam slam  
EscapeFifteen minutes ain't long enough  
To be out your mind in a world so tough  
If you wanna escape and truly be  
All the crack in Compton won't set you free  
Come onGlam slam  
Free your mind from this rat race

'Cuz the gangster man, he don't give a care

However high you get is a matter of taste  
Winner takes all in the hardest raceDon't get on the scale if you ain't got the weight  
It's more hard to love than it is to hate  
Say, it's more hard to love than it is to hate  
Come on, it's more hard to love than it is to hate  
Yeah, it's more hard to love than it is to hate  
One more, it's more hard to love than it is to hateEscape

Free your mind from this rat race
