

# Never Had a Love Like This Before

Tavares

Oh, you sure  
You sure have got me, girl At last I'm past the fantasy  
Into my reality, oh yes, you are  
More than just the love talkin'  
Hey girl, we've got it workin', workin', workin' Never had a love like this before  
Oh, I never had a love like this before  
Never had a love like this before  
Oh, I never had a love I'm so glad that I was patient  
Lord, sent me your heavenly creation, oh yes, he did  
You're all I needed, needed, yeah  
Oh, but it's all I conceded Never had a love like this before  
Oh, I never had a love like this before  
Never had a love like this before  
Oh, I never had a love Love's in your tender touch  
'Cause everyday askin' for too much  
Oh, I'm in love with what you doin'  
Never get tired, I'ma watchin' you Never had a love like this before  
Oh, I never had a love like this before  
Never had a love like this before  
Oh, I never had a love I've been in a lotta situation  
But never like this before, oh no  
There's been so much, so much anticipation  
[Incomprehensible] and everybody needs it Everybody's lookin' for a good situation  
Uptown, downtown, all around the world  
Lookin' for the right girl  
Hopin' an' prayin', oh, some never find it Right boy or the right girl  
Looking for the right boy, looking for the right girl  
Hear what the fellas are sayin'  
Never, never ever, ever, ever, never had a love like this before Never, never, no, no  
Never, never ever, ever, ever  
Ever had a love like this before  
Do you hear what fellas are sayin'? Never had a love like this before  
Oh, I never had a love like this before  
Never had a love like this before  
Oh, I never had a love Never had a love like this before  
Oh, I never had a love like this before  
Never had a love like this before  
Oh, I never had a love Never had a love like this before  
Oh, I never had a love like this before

Never had a love like this before  
Oh, I never had a love
