Cradle Eyes

Forever Changed

Cradle eyes, with your smile I can see beyond the veil.
Changing times.
Passing lights almost near the end of the tale.
One more step will unfold who we are and who we'll become.
Don't forget that I am here with you now
all that to say that you have so much to give.
And you have so much to give.
Cradle eyes come with me.
You fear the change and walk with me just to see the end of the day.
I can hear the voice of God whispering, "Don't run away."
Cause you have so much to give.
And you have so much to give.
Cradle eyes come with me.
