

# Scandalous Hoes (feat. Lil' Bran)

Mike Jones

[Mike Jones]

Hoes these days mayne, I'm telling y'all

They scandalous baby, scandalous baby

That's why[Lil' Bran]

I, can't, stand you scandalous hoes[Chorus: Mike Jones] + (Lil' Bran)

Females I don't trust 'em, Lord knows I don't love 'em

I fuck 'em, I don't cuff 'em, I swear they nothing but trouble

And for that reason there, I keep my shit in my pants

Because (I, can't, stand you scandalous hoes)[Mike Jones]

Yeah! I watch my back when I'm walking, I watch my mouth when I'm talking

My glock cocked when I'm crawling cause you never know

Who hate the fact you got plenty of paper stacked so they envy

The way you move in that Bentley now you got more than one enemy

Trying to take you out nope, that's why you ride with ya scope

Or aim the infrared beamer straight to they throat

So if you ever in fear of your life, you put steel HERE in they life

Cause you ain't going down, especially not tonight

I never ever trusted hoes because they got a plan

They don't want me for me they want me because I got some Grants

It's sad when you down nobody lends a helping hand

But when you blow up and don't help them you ? man

My grandma told me watch these hoes because they got a plan

To get your paper that's why I keep my shit in my pants

You're on your own 'til your gone that's what I was told

So I'ma help who helped me 'til my casket closedYeah! Mike Jones, Who?! Mike Jones

That's why[Lil' Bran]

I, can't, stand you scandalous hoes[Chorus][Mike Jones]

What's my business is my business, don't worry 'bout how I'm livin

I'm gettin it how I'm gettin it, you should do the same

These haters hate, they mad cause I'm gettin cake

That's why (I, can't, stand you scandalous hoes)[Lil' Bran]

Stand you scandalous hoes[Mike Jones]

I can't stand 'em man

We fin' to do a little bit different right here

Check it out, yeah![Mike Jones]

Now that you stacking up dollars, these hoes now want to holla

They want to be on your team, they want to know all about ya

They want to ride on your ride, they want to be by your side

Until the day that you die, that's what they telling you right?

They saying they want to commit, because your paper legit  
The minute you go bankrupt the second they gon' split  
Now yo' ass ain't got shit  
Listening to that bitch got you flat broke quick  
If you was straight from the streets you'll know that that bitch  
Was from the jump a hoe, playing you for your dough  
But I guess you thought I was hating when I was keeping it real  
I'll bet you goin' listen now cause she got you for your scrill  
So let this lesson be told to those who got caught  
You tried to pay for some pussy that already been bought  
You told the hoe where you lived, cause you thought that the bitch was real  
Same time she was one of them niggas inside your crib  
I can't let it happen to me, so I watch 'em from 50 feet  
I'd rather have money comin than be with these scandalous freaks  
I can't let it happen to me, so I watch 'em from 50 feet  
I'd rather have money comin than be with these scandalous freaks[Mike Jones] + (Lil' Bran)  
Yeah! Mike Jones  
Females I don't trust 'em  
Lord knows I don't love 'em  
That's why (I, can't, stand you scandalous hoes)  
The same ones that'll suck you up, 'll fuck you up I swear  
Y'all better get y'all game on man  
Hoes are scandalous man (I, can't, stand you scandalous hoes)  
Yeah! Mike Jones (scandalous hoes)  
(These scandalous hoes, these scandalous hoes)  
That's why (I, can't, stand you scandalous hoes)
