

One Little Victory (Remix)

Rush

A certain measure of innocence
Willing to appear naive
A certain degree of imagination
A measure of make-believe A certain degree of surrender
To the forces of light and heat
A shot of satisfaction
In a willingness to risk defeat Celebrate the moment
As it turns into one more
Another chance at victory
Another chance to score The measure of the moment
Is a difference of degrees
Just one little victory
A spirit breaking free One little victory
The greatest act can be
One little victory A certain measure of righteousness
A certain amount of force
A certain degree of determination
Daring on a different course A certain amount of resistance
To the forces of the light and love
A certain measure of tolerance
A willingness to rise above One little victory
One little victory
One little victory
One little victory Celebrate the moment
As it turns into one more
Another chance at victory
Another chance to score The measure of the moment
Is a difference of degrees
Just one little victory
A spirit breaking free The greatest act can be
One little victory
The greatest act can be
One little victory One little victory
One little victory
One little victory
One little victory Just one little victory
Just one little victory
One little victory

One little victory
