Blood

In This Moment

I hate you for the sacrifices you made for me
I hate you for every time you ever bled for me
I hate you for the way you smile when you look at me
I hate you for never taking control of me
I hate you for always saving me from myself
I hate you for always choosing me and not someone else
I hate you for always pulling me back from the edge
I hate you for every good word you ever said...
(BLOOOOOD)
Blood, blood, blood pump mud through my veins,
shut your dirty dirty mouth I'm not that insane
Blood, blood, blood pump mud through my veins, I'm a dirty dirty girl I want it filthy
Blood, blood, blood pump mud through my veins, shut your dirty dirty mouth I'm not that insane
Blood, blood, blood pump mud through my veins, I'm a dirty dirty girl I want it filthy
I love you for everything you ever took from me
I love the way you dominate and you violate me
I love you for every time you gave up on me
I love you for the way you look when you lie to me
I love you for never believing in what I say
I love you for never once giving me my way
I love you for never delivering me from pain
I love you for always driving me insane...
(BLOOOOOD)
Blood, blood, blood pump mud through my veins, shut your dirty dirty mouth I'm not that insane
Blood, blood, blood pump mud through my veins, I'm a dirty dirty girl I want it filthy
Blood, blood, blood pump mud through my veins, shut your dirty dirty mouth I'm not that insane
Blood, blood, blood pump mud through my veins, I'm a dirty dirty girl I want it filthy
(GUITAR SOLO)
Oh god I hate you, I hate you, I love, love, love.....
Blood, blood, blood pump mud through my veins, shut your dirty dirty mouth I'm not that insane
Blood, blood, blood pump mud through my veins, I'm a dirty dirty girl I want it filthy
Blood, blood, blood pump mud through my veins, shut your dirty dirty mouth I'm not that insane
Blood, blood, blood pump mud through my veins, I'm a dirty dirty girl I want it filthy
I hate you for every time you ever bled for me..
