

Tucker's Town

Hootie & The Blowfish

Staring back at you
Did you see my lips
Or were you smiling right in front of me? Your father called my name
Then he smiled with great relief
'Cause it wasn't me that you were clinging to He made you turn around
You do that thing you do
And then you laughed with me I don't know, what I can't see
I don't know but I'm makin' time to call
I don't know, what I can't see
I don't know but she's watching me leave Just wish they'd turn around
Just wish they'd try to see
But they don't understand and that's alright with me, I'm leaving now Going down to tucker's town
Where I can lie for free
Nobody stares at me and I'd love to hurt the population She called last night
I said, "I'm about to leave"
Then I heard him scream, "I'll pack your bags", 'cause I don't know, what I can't see
I don't know but I'm makin' time to call
I don't know, what I can't see
I don't know but I'm leaving here To see the world through your rosy glasses
I'll teach you to fly but they teach greed
We live the belt but I can bleed I don't know, what I can't see
I don't know, what I can't see
I don't know, what I can't see
I don't know, I don't know, what I can't see
I don't know, I, I, I, what I can't see, what I can't see
Well I don't know, I, what I can't see
I don't know, I, I, I
