

# Gotta Get To You

Belinda Carlisle

Here I go again  
Looking to you, you pass me by  
I go home and pretend  
There's no one else just you and I  
To be holding you, touching you  
'Cause I'm dreaming about you  
But dreams aren't enough  
Gotta get to you  
Catch your eye  
Gotta get to you  
If only I could tell you why  
I see you everyday  
You smile my way, light sparks inside  
I need the words to say  
To open up this heart of mine  
To be holding you, touching you  
'Cause I'm dreaming about you  
But dreams aren't enough  
Gotta get to you  
Catch your eye  
Gotta get to you  
If only I could tell you why  
Gotta get to you  
Make you see  
Gotta get to you  
If only you'd come 'round to me  
Here we go again  
So close to you, the moment's now  
But the chance is wasted when  
I wait too long and you slip out  
Gotta get to you  
Catch your eye  
Gotta get to you  
If only I could tell you why  
Gotta get to you  
Make you see  
Gotta get to you  
If only you'd come 'round to me  
Gotta get to you

Catch your eye  
Gotta get to you  
If only I could tell you why  
Gotta get to you  
Make you see  
Gotta get to you  
If only you'd come 'round to me
