Conquerors

Kirk Franklin

Conquerors, conquerorsTomorrow is a brand new day
All my sins have been washed away
My hands are new, my life is free
My heart is pure, I've been redeemed
(Oh, yeah)See I've seen His face, touched His hand
Finally, now I understand
Why He saved a wretch, a wretch like me
And by His blood I've been redeemed
(Oh yeah, oh yeah, oh yeah)We ran the race
Kept the fight
(We kept the fight)
Shed our blood
(We shed our blood)For what was right
(For what was right)
We carried our cross
(We carried our cross)
Through stormy weather
(Through storm and rain)Because of Christ
(Because of Christ)
Now we can say
(Now we can say)
That we are conquerors
See I know, I know conquerors
We are conquerors, conquerorsSee I've seen His face, touched His hand
Finally, now I understand
Why He saved a wretch
Saved a wretch like you and me
And by His blood I've been redeemed, oh yeahWe ran the race
(He ran the race)
Kept the fight
(We kept the fight)
We shed our blood
(We shed our blood)
For what was right
(For what was right)We carried our cross
(We carried our cross)
Through stormy weather
(Through storm and rain)
Because of Christ

(Because of Christ)Now we can say, now we can say)
That we are conquerors
See I know, I know conquerors
We are conquerors, conquerorsFor no matter what we go through
Lord, I give my promise to You
