Little Crazy

Fight

It's alright, it's alright, it's alright
I'm just a little crazy
It's alright, it's alright, it's alright
I'm just a little crazyUnder my skin and into my bones
I feel insanity begin to make it home
Into my vision and through my mouth
Somebody's working me to get me all strung outIt's alright, it's alright, it's alright
I'm just a little crazy
It's alright, it's alright, it's alright
I'm just a little crazyThere goes my reason
Where's all my hope
I'm just a puppet
Pulled by stings to make me copeI'm seeing nothing
What's all this noise
Could someone give me something
Just to get me through this boyI said, "It's, it's alright, it's alright, it's alright
I'm just a little crazy"
It's alright, it's alright, it's alright
I'm just a little crazy
Oh crazyIt's alright, it's alright, it's alright
I'm just a little crazy
It's alright, it's alright, it's alright
I'm just a little crazyUnder my skin and into my bones
I feel insanity begin to make its home
Into my vision and through my mouth
Somebody's working me to get me all strung outI said, "It's, it's alright, it's alright, it's alright"
I'm just a little crazy"
It's alright, it's alright, it's alright
I'm just a little crazyIt's alright, it's alright, it's alright
I'm just a little crazy
It's alright, it's alright, it's alright
I'm, just a, just a little, just a little crazy oh
