

# Little Crazy

## Fight

It's alright, it's alright, it's alright  
I'm just a little crazy  
It's alright, it's alright, it's alright  
I'm just a little crazy Under my skin and into my bones  
I feel insanity begin to make it home  
Into my vision and through my mouth  
Somebody's working me to get me all strung out It's alright, it's alright, it's alright  
I'm just a little crazy  
It's alright, it's alright, it's alright  
I'm just a little crazy There goes my reason  
Where's all my hope  
I'm just a puppet  
Pulled by stings to make me cope I'm seeing nothing  
What's all this noise  
Could someone give me something  
Just to get me through this boy I said, "It's, it's alright, it's alright, it's alright  
I'm just a little crazy"  
It's alright, it's alright, it's alright  
I'm just a little crazy  
Oh crazy It's alright, it's alright, it's alright  
I'm just a little crazy  
It's alright, it's alright, it's alright  
I'm just a little crazy Under my skin and into my bones  
I feel insanity begin to make its home  
Into my vision and through my mouth  
Somebody's working me to get me all strung out I said, "It's, it's alright, it's alright, it's alright"  
I'm just a little crazy"  
It's alright, it's alright, it's alright  
I'm just a little crazy It's alright, it's alright, it's alright  
I'm just a little crazy  
It's alright, it's alright, it's alright  
I'm, just a, just a little, just a little crazy oh
