

# Quality Revenge At Last

## Hey Mercedes

Steady now  
City sister  
As the world will end  
You'll have your sweet revenge  
I'm promising  
You'll feel better than  
Better ever planned  
Then we'll line them up again  
All your men  
Soon you'll understand That in a corner of Aurora there's a girl all aglowing and she's waiting for a car that isn't  
showing  
We are all on our way to save you  
And in the madness of it all there's a phone call coming from a ragged romeo in Joliet  
We are all on our way to save you Steady now  
City sister  
As the sky will fall  
You'll have your curtain call  
All in all  
You'll feel better than  
Better ever planned  
Then we'll line them up again  
All your men  
Soon you'll understand That in a corner of Aurora there's a girl all aglowing and she's waiting for a car that isn't  
showing  
We are all on our way to save you  
And meanwhile in the madness of it all there's a phone call coming from a ragged romeo in Joliet  
We are all on our way to save you
