

Love Song

AC/DC

I can tell by the look in your eyes,
I can tell by the way you sigh
That you know I've been thinking of you
And you know what I want to do.

Oh Jene,
Oh Jene,
Oh Jene,
Oh Jene

When you smile I see stars in the sky,
When you smile I see sunrise,
And I know you've been thinking of me,
And I know how you want to be.

Oh Jene,
Oh Jene,
Oh Jene,
Oh Jene.

I can tell by the things you say,
I can tell that you know the way,
And I know what you want me to do,
Oh, I've got hearts and flowers for you,
If you leave me you'll make me cry,
When I think of you,
Saying good bye,
Oh the sky turns a deeper blue,
That's - that's how I'd feel if I lost you.

Jene,
Oh Jene

Uh - Don't go and leave me,

Just love,

I love you,

I love you,

Don't leave me,

Don't make cry when I think about you,

Don't you go and leave me.

Don't leave me,leave me,leave me,leave me,leave me...
