Stay With Me

T.S.O.L.

See the girl at the ball
In her long black dress
Her eyes are so hungry
And her mind is fixed on successBut she failed to see what she means to me
She failed to see all the love that I bring
She failed to see a lot of things in me, you knowWon't you stay with me today?
(Stay with me, stay with me)
Won't you stay with me all the way, all the way?
(Stay with me, stay with me)When I see you
I see, the way that it could be
I would live for you
Would you live for me? You knowWant you tomorrow, yeah
Want you today, yeahWon't you stay with me today?
(Stay with me, stay with me)
Won't you stay with me all the way, all the way?
(Stay with me, stay with me)
Yeah yeah yeah yeahNo one lives forever
I guess, you know
She's gonna find now or later
When she goes home, you knowWant you tomorrow, yeah
Want you today, yeahWon't you stay with me today?
(Stay with me, stay with me)
Won't you stay with me all the way, all the way?
(Stay with me, stay with me)Won't you stay with me today?
(Stay with me, stay with me)
Won't you stay with me all the way, all the way?
(Stay with me, stay with me)Won't you stay with me today?
(Stay with me, stay with me)
Won't you stay with me?
