

This Is Not

Static-X

This is not
This is not
This is not
I hate this! Lines and the light stream
Screaming by the scream
Burning down, not me you see me suffer Haunted by your spirit
Undead by your spit
Taunted by yourself alive Dazed and burning state
Hazed and spinning fate
Dazed and burning I say, "I can't come"
You say, "This ain't home"
Hating this I mouth your name This is not my life
This is not my home
This is not me
I hate this! This is not my life
This is not my home
This is not me
I hate this! Your voice in my mind
Come home it ain't time
Burned down, not me you see me suffer Solace to inspire
Lowness to my fire
Taunted by yourself alive Dazed and burning state
Hazed and spinning fate
Dazed and burning I say, "I can't come"
You say, "This ain't home"
Hating this I mouth your name This is not my life
This is not my home
This is not me
I hate this! This is not my life
This is not my home
This is not me
I hate this! This is not my life
This is not my home
This is not me
I hate this! This is not my life
This is not my home
This is not me
I hate this! I hate this!
I hate this!

I hate this!

I hate this!
