

# At Last

## Saint-Germain des-PrÃ©s CafÃ©

At last  
My love has come along  
My lonely days are over  
And life is like a song  
Oh yeah yeah, at last  
The skies above are blue  
My heart was wrapped up in clover  
The night I looked at you  
I found a dream that I could speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill that I have never known, oh yeah yeah  
You smiled, you smiled  
And then the spell was cast  
And here we are in heaven  
For you are mine at last  
I found a dream that I could speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill that I have never known, oh yeah  
You smiled you smiled  
And then the spell was cast  
And here we are in heaven  
For you are mine at last  
At last  
At last
