Train Wreck

Kasey Chambers

You're like a train wreck, baby, you're making me crazy
Nobody can save me now
It's like a bottleneck pile of your dump from high up
And you landed on your feet somehow

Odeley, I'm on a one way route
Odeley, I got no way out

You're like a train wreck, honey, for all of the money
I would never wanna do it again
It's like a storm a-coming at a hundred and one
On a scale from zero to ten

Odeley, I'm on a one way route
Odeley, I got no way out

Rolling, rolling down and down
Rolling, rolling down and down
Rolling, rolling down

You're like a train wreck, baby, you're making me crazy
Nobody can save me now
Like a bottleneck pile of your dump from high up
And you landed on your feet somehow

Odeley, I'm on a one way route
Odeley, I got no way out, out, out
