Woo

Hear Hums

Woo
Yeah, y'all know it? come on, come on, everybody feelin' it, come on
Woo
Uh, uh, uh, so if ya feel it in your body, say
Woo
Uh, now, uh, uh, so make the rain come down, come on
Woo
Yeah, uh, say, ah yeah, uh B-boys and B-girls, now say
Woo
Ah yeah, uh, one time for your mind behind, now now
Woo
Uh, yeah, sophisticated gangsterism, uh, pimpism say
Woo
Hey, ah, little Badu and little pimpin', come on
Woo
Hey, what's up? Tita come on, brother Beat, come on say
Woo
Yeah, I see you on the right, we can jam all night, come on
Woo
Yeah, wait, uh watch this, watch this, watch this, watch this
Well, I came to your show I respect your flow
Now I wanna know if you wanna go
To the studio, Bust-a Rhyme or two
Uh, what ya wannna do, uh what ya wanna do?
Bring a sack, but I'm cool wit that
I got the paper stack and the pimped out track
Got the song and it's on, it's on
Got the studio locked down all night long
Woo
Ha ha, yeah uh, come on, come on, come on
Woo
Hey, come on, see don't be scared 'cuz it's just a little something called
Woo
Hey, lay back, come on, everybody give me something now
Woo
Hey fellas, come on, don't make me mad, come on
Woo
Yeah yeah, one more, one more, say it wit me now
Woo

Woo, hold on watch this, watch this, watch this, watch this
Well I'ma sing you a song
So play that track
With the crickets in the back
It's so abstract
Woo
Yeah, ha ha, now see I like it like that, come on
Woo
Uh, so all the B-boys and all the B-girls, come on
Woo
Hey, back door spit wit ya, so come on, come on
Woo
Hey south Dallas, eastside, westside, come on
Woo
Uh, uh one time, one time, where's Dallas at?
Woo
Norla park all the way to the BKL, come on
Woo
Hey, a train, C train, number one and two, come on
Woo
Uh, yeah, westside, whass up stoop? come on, hey
Woo
Uh, downtown Dallas and got me down, so come
Woo
Uh, uh, thank you, thank you, thank you, one more
Woo
That's great
