I Know What You Need

R. Kelly

I know
Exactly what you need girl
I know[Chorus]
(I know what you need, I know baby)
I know what you need girl
A little bit of me baby
(I know what you need, I know baby)
I know what you need
(I know what you need, I know baby)
I know what you need girl
A little bit of me baby
(I know what you need, I know baby)
I know what you need girlBaby, take my hand.
I know what you need.
I wanna be your man baby.
Come on come on follow me.(I know what you need, I know baby)
I know what you need baby.
Come on get this love.
(I know what you need, I know baby)
I know what you need.
A little bit of me babySo you say ya never been in love, baby.
Well, Hear is your chance.
I wanna be the one you're always thinkin' of,
So come on come on darling follow me.(I know what you need, I know baby)
I know what you need.
Baby, Come on get this love.
(I know what you need, I know baby)
Baby, BabyYou need a man who'll be patient
Or not cool the public
Arrest you or lovely respect you.
But who you are no what you was or
Will be, and the harder ya ever beaten
For you would kill me.
Never would've fall off ways for you
Calling me your real best[Chorus]
