Disengagement

Sentenced

Darkness fills the life
Covers the tired mind
like the darkest damnation
anxiety, oppressiona wounded soul
manages to escape
from exhausted body,
from the bleeding prison
disengagement, dark visions,
forgotten personalityfeeling of loss
nocturnal suffocation
tears like blood
stench of decayedalone...
without a body
life...
is turned to hellliving in emptiness
torture of the timeless
into the black pieces
of total chaos and sorrowNo blessing
no chances to survive
leads the way
to infernal death
disengagement, dark visions
forgotten personalities
