

Disengagement

Sentenced

Darkness fills the life
Covers the tired mind
like the darkest damnation
anxiety, oppressiona wounded soul
 manages to escape
 from exhausted body,
 from the bleeding prison
 disengagement, dark visions,
forgotten personalityfeeling of loss
 nocturnal suffocation
 tears like blood
 stench of decayedalone...
 without a body
 life...
is turned to hellliving in emptiness
 torture of the timeless
 into the black pieces
of total chaos and sorrowNo blessing
 no chances to survive
 leads the way
 to infernal death
 disengagement, dark visions
 forgotten personalities
