

Hyped Up

MC Zulu

Advisory - the following lyrics contain explicit language:

CHORUS

Everybody jump Higher with the Riddim now

It make you get hyped up

It Nice Up

Fire Fire with the Riddim now

It make you get hyped up

It Nice Up

Hear the musical heavyweight, Inna the dance rock the party late

Run the version never hesitate, Party people celebrate

CHORUSIf you are not familiar by now... let this be your formal introduction
to the Bad Man's manifesto. Music reach around the world and fight against
opression

Nice up the dance. Nice up the party all the whileNo matter where you come from, we make you feel the Vibe
everywhere you go

The riddim and the bass drum, It have to reach you LIVE, thru the stereo

I know, you want, to forget your troubles exist

These are, the sounds, The people could not resist

So hold tight, We make it live, All thru the night

The music keep you energizedAnd when feel seh that you weary from the everyday

This is the answer with the vibes now for the modern age

Music magic for the people a de latest craze

Heard it on the Hit Parade

CHORUS

This is not a drill..

When I give the signal, I want everybody to get out of your seat

Show the good energy... Right Here Now

Feel this

Let the record show who start the trends

What that mean?

Music is a medicine

ZULU man nice up the dance again,

You no see it?

And raise adrenalineGet the people jumping on the floor, Music for one and all
Lovely ladies pretty girls galore
You done know that already
Large up the KarnivalThis aint no underground. This ain't no playing around
We bring it to you worldwide. A so we make you feel the vibes
Alright... We're going to hit you with the Riddim
I want you feel it
I'll tell you what a gwaan. Official Business
Hear the musical heavyweight, Inna the dance rock the party late
Run the version never hesitate, Party people celebrate
CHORUS
Steakhouse Riddims
Longside the Bad Man MC ZULU
Musical commotion... I gurantee you
