

# It Had to Be You

[Ray Charles](#)

It had to be you, it had to be you  
I've wandered around, finally found somebody who  
Could make me be true  
Whoa whoa whoa could make me be blue  
And, even be glad just to be sad thinkin' of you  
Some others I've seen  
Might never be mean  
Might never be cross  
Or, try to be boss  
But, they wouldn't do  
For nobody else gave me a thrill  
With all your faults, I love you still  
It had to be you, wonderful you  
It had to be you 'Cause nobody else gave me a thrill  
With all your faults, I love you still now  
And it had to be you, it just had to be you  
It had to be you
